Multi Race 2 includes THE AMERICAN QUALIFIER RACE. This will begin at noon after Draw 200. At this time we do not the draw from THE AMERICAN QUALIFIER. In Multi Race 2 draw there are some AQs that indicate horses that were identified as being in the QUALIFIER but we have no confirmation of this. Also those draw positions with numbers beginning with AQ1 will follow the last horse in the Qualifiers in the order shown. We will try to advise their actual draw position when we know how many are in THE QUALIFIER RACE.
